

Meaningful Use Paths – Medicaid (RI)

This tool will help Eligible Providers (EPs) plan for how to attest to RI Medicaid’s Meaningful Use program in 2014 and beyond, including:

- which stage and year the EP is required to meet
- what the potential incentives are
- how to avoid Medicare payment adjustments that begin in 2015, if applicable^{##}

^{##} Medicaid EPs who can only participate in the Medicaid EHR Incentive Program and do not bill Medicare are not subject to payment adjustments.

Proposed Rule ^{**}

- 2011 and/or 2014 CEHRT
- 2013 or 2014 Stage 1 measures

^{###} Medicaid EPs who can only participate in the Medicaid EHR Incentive Program and do not bill Medicare are not subject to these payment adjustments.

^{**} **Proposed Rule for 2014 (only):** Modifications, Revisions: Medicare and Medicaid EHR Incentive Programs for 2014

This proposed rule would change the meaningful use stage timeline and the definition of certified electronic health record technology (CEHRT). It would also change the requirements for the reporting of clinical quality measures for 2014. There is a public comment period until **July 21, 2014** and then a final rule will be released approximately **Sept. 1, 2014**. We encourage you to comment on this rule if you approve of the suggested changes, or if you have suggested revisions.
