

TCPI – Healthcare Communities Portal

Below are the steps involved to join the HCC Portal:

Be sure you've indicated that you are part of a PTN

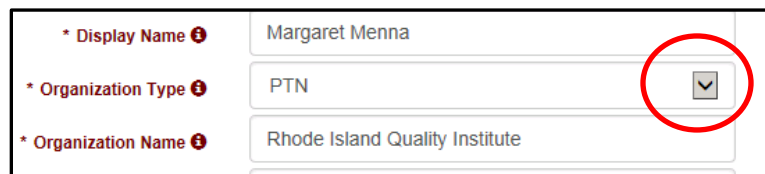

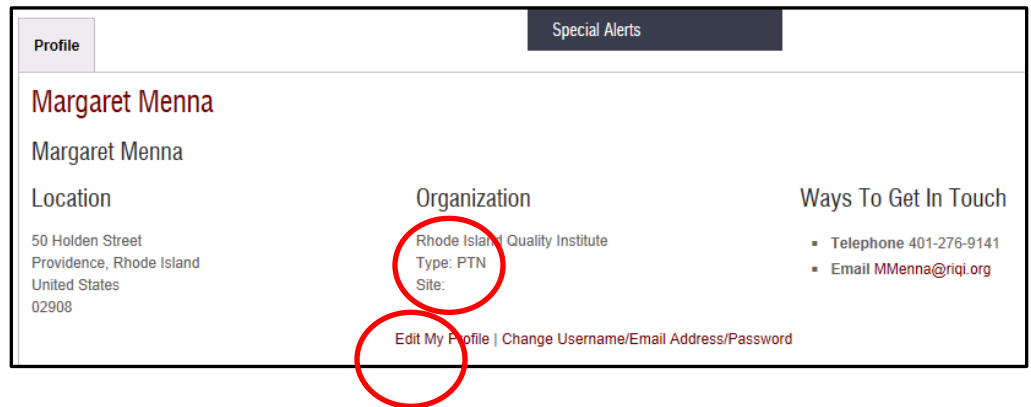

After you create your user name and password, log in.

To check this status, Click “My Profile”

If your profile does not indicate “PTN” as the type, click “Edit My Profile”

Click on the dropdown box in the “Organization Type” field and select PTN.

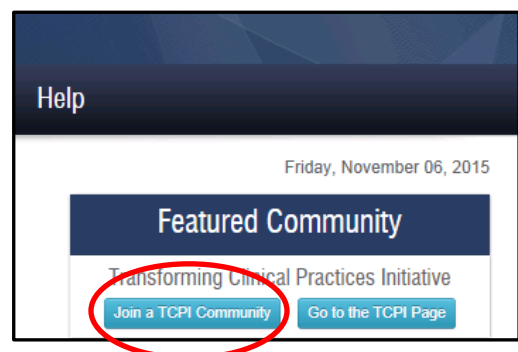

Join the Rhode Island Community

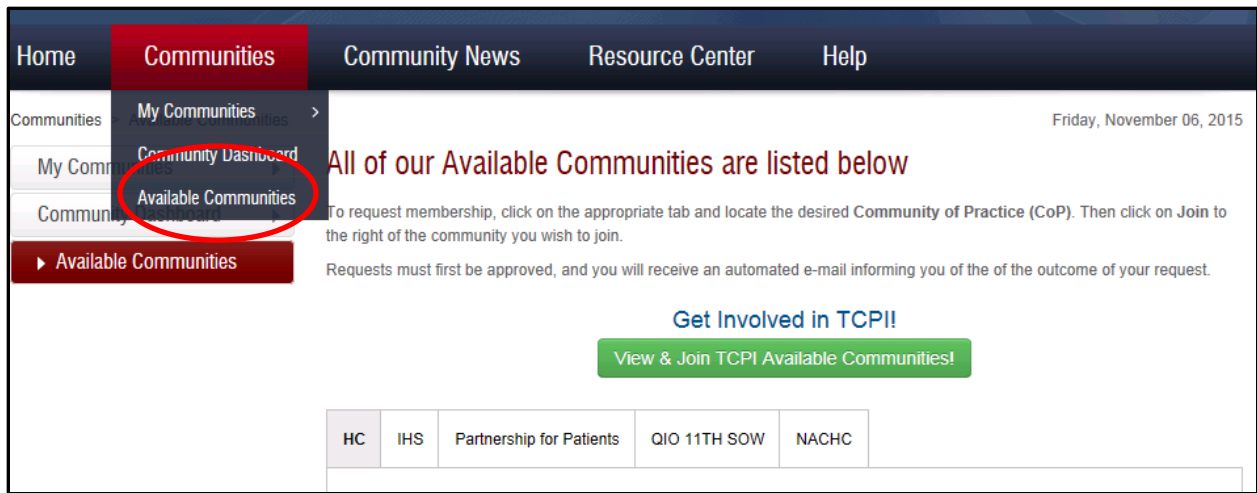

You need to ‘join’ RIQI’s community, but you can also join other communities. To start,

There are two ways to get to the Communities list:

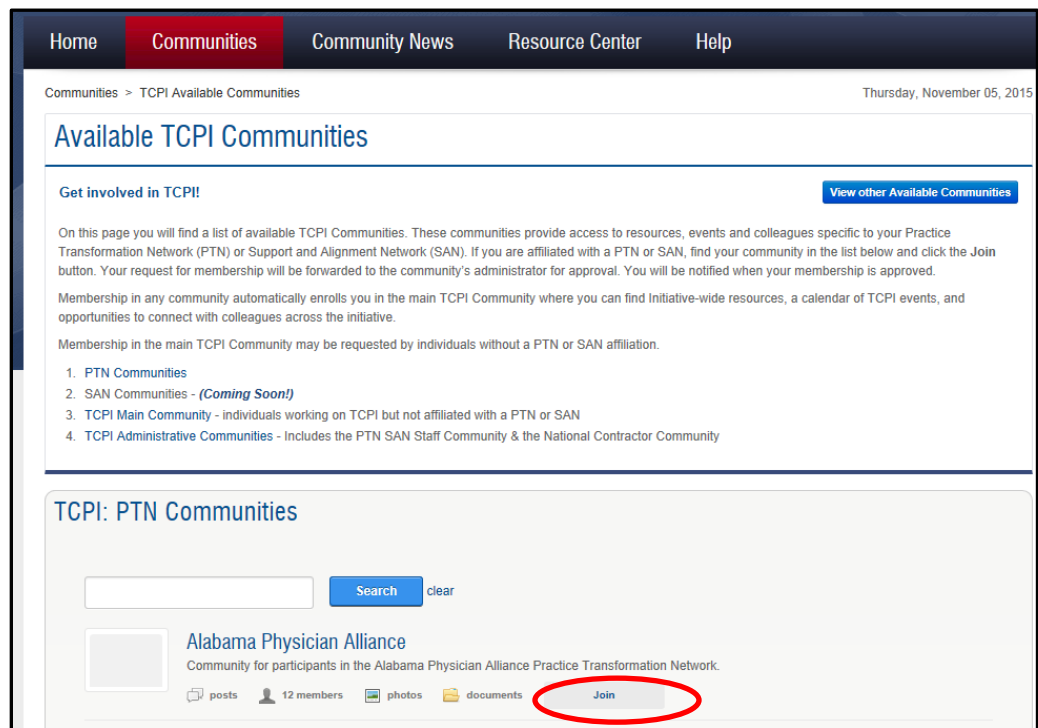

1. From the right-hand side of the home screen:

Or 2. point to Communities and click “Available Communities”, then click the green bar.

There are several categories of communities. The PTN list is shown below. Scroll through to select “Rhode Island” and click the ‘Join button’. Your request will be pending until Darlene or Kerri accept it, as they are our administrators.

You can join as many communities as you like. All can be managed by the calendar program here:
